Meeting summary

For each team meeting provide the date, time, and location of the meeting. Indicate which members attended the meeting and action items discussed in the meeting.

Wednesday (10/6/21): We all met this day in ERC, except Taylor Manley. Taylor was sick with a cold so the rest of the group finished the requirements document and the weekly and individual reports that day as well. Due to the upcoming break, we decided to not meet on Sunday like the team normally schedules.
